Who We Are

For over four decades, the Abbotsford Hospice & Grief Support Society (AHGSS) has been a compassionate presence in our community - walking alongside individuals and families navigating life's most difficult moments. We provide emotional, practical, and spiritual support for children, youth, adults, and families facing terminal illness, caregiving, or grief.

Our programs and services are offered free of charge, made possible through the generosity of donors, sponsors, and community partners. From one-on-one grief counselling to children's support groups and our signature events, we strive to bring comfort, connection, and hope to every person who walks through our doors.

What We Do

At AHGSS, we believe that no one should face loss or end-of-life challenges alone. Our work includes:

- Individual and Family Grief Support - confidential counselling and group sessions for all ages.
- End-of-Life Resources and Caregiver Support - helping families find comfort, knowledge, and peace during transition.
- Community Education and Outreach - empowering schools, workplaces, and organizations to better understand grief and compassion.
- Events and Fundraisers - such as our Moments of Hope Gala and Horsepower for Hospice Cruise-In, which raise vital funds and awareness for our mission.

Because of you, something beautiful grew.

The incredible generosity from our 2025 Moments of Hope Gala made the creation of our Garden of Hope possible - a serene, sacred space where residents and families can find peace, reflection, and comfort during life's most tender moments.

"In the Garden of Hope, the beauty of nature offers what words cannot - comfort, closure, and calm before the journey home."
