For kids ages 4-10 who are grieving the death of a loved one.

Children are invited to enjoy this 4-week group where they get to play games, make crafts and art pieces in memory of their loved one while creating meaningful connections with their peers.

This group was formed in special consideration of caregivers/family schedules and the difficulty some may have to attend groups during the weekdays and evenings.

Saturday dates are variable.
Please contact for us more information.

*Please ensure kids come in clothes that are okay to get paint or other materials on.
